

4th Transnational Project Meeting and second learning activity EUPA_NEXT

The 4th Transnational Meeting and the second learning activity of the European Project EUPA_NEXT were implemented in Valencia, Spain. The meeting lasted a total of 2 days and the learning activity 5 days, while both were hosted by the CIPFP Misericòrdia Vocational Training Center, one of the project's partners.

Representatives from all the partners attended the meeting. Only partners involved in the development of the learning materials participated in the learning activity.

During the fourth transnational meeting, participants evaluated the modules that are being developed within the framework of the project. Partners were informed about the process of certification to be applied both for the certification of curriculum and materials as well as for the certification of assessments. The upcoming development of assessment tool was discussed. Deadlines were also set for the remaining activities until the completion of the project.

At the same time, within the framework of the second learning activity, the teaching material and the corresponding educational activities were successfully evaluated regarding their alignment with the qualification framework. A common understanding was developed by all partners.

EUPA_NEXT - Validation of formal, non-formal and informal learning: The case study of Administration Personnel has been approved by the Cyprus National Agency (IDEP) for sponsorship under Key Action 2 - Strategic Partnerships and Exchange of Good Practices in Vocational Education and Training.
